FINE DINING

X JI UI F
DSARVFMF
HPME CVMCT

These bulbs are specially suited for people that like to spice up their living room. A big cluster of these bulbs above the dining room table make for a cosy and stylish setting. The gold glass makes for a warm glow and the craquelé gold coating ensures you can't look directly in the light. Together these coatings make for a chic bulbs in whatever model you choose.

A SHADE OF GREY

X jü ü f

Dpmpst

Frfhboof

Hsjt!

A little grey is okay! For everyone that loves a modern interior and a clean look. Switched on, these bulbs illuminate the room with the clear and grey glass. Turned off they complement the room perfectly and blend in with the rest of the styling. This color is an absolute musthave!
