		<p><b>Vilja Wall lamp</b></p> <p>The Vilja -luminaire, designed by Jenni Inkeroinen, brings a cozy feel to evenings at home. The warm glow emitted from the pattern in its shade is inspired by the golden grain-fields in August at the moment when the last sun-rays glow red in field. The pattern is very discrete and comes to life in the evenings when the light is switched on. The design of the luminaire is scandinavian simple and modern.</p>	L: 64 cm E27 Max. 15W IP20	S51010-1MU	6430062565706
